PRESCHOOL

The Los Angeles French Academy is thrilled to announce the opening of its first preschool, **Ninou Preschool**, in January 2025, located in the vibrant West Adams neighborhood. Inspired by Montessori philosophy and the research of Céline Alvarez, our curriculum is 90% in French, fostering bilingualism, cognitive skills, and a deep appreciation for cultural diversity.

Our emphasis on nurturing strong social bonds and creating a warm, inclusive community is at the heart of our program. We believe in the power of artistic exploration to cultivate creativity and fine motor skills, while play serves as a dynamic tool for cognitive and social development.

Our commitment to healthy eating is reflected in the meals prepared on-site by a dedicated cook, trained by two French chefs. These nutritious, shared meals aim to educate young palates about the importance of "bien manger" and instill an early appreciation for diverse culinary traditions.

Conveniently located in the Jefferson Park area (90018), just two minutes from the Crenshaw exit off the 10 Freeway and close to the Metro Station (ExpoLine), Ninou Preschool is ready to offer a unique and enriching French immersion experience for your child.
